CIVIL ACTION FILE  
NO. 1:08-CV-1364

DEFAULT JUDGMENT AS TO DEFENDANT  
ESTRELLA DE FUEGO S.A.

Plaintiff's Request for Entry of Default Judgment as to Defendant Estrella de Fuego S.A. ("Estrella de Fuego") having come before this Court and the same having been read and considered, Defendant Estrella de Fuego by its Default has admitted and the Court hereby finds as follows:

1. Defendant Estrella de Fuego was served by publication beginning March 20, 2009 through April 10, 2009 informing it that its answer to the Complaint was due on or before May 5, 2009. Defendant Estrella de Fuego failed to

answer and therefore default was entered against it on May 19, 2009.

2. The Complaint sought at least \$264,800.00 from Defendant Estrella de Fuego plus interest of \$50.78/day from February 25, 2008 and therefore the amount sued for is a sum certain.
3. The total principal amount sued for is \$264,800.00 plus \$26,100.92 of interest accrued from February 25, 2008, the date of the Receiver's demand for the return of the funds, to July 23, 2009, the date of the Request for Default Judgment.
4. Plaintiff is also entitled to \$ 3,910.06 [\$50.78 x number of days], representing the amount of interest accrued from July 23, 2009, the date of the Request for Default Judgment, to the date of this Order.
5. There is no just reason for delaying the entry of a final judgment as to Defendant Estrella de Fuego and as to the claims against it.

Therefore, it is hereby ordered, adjudged, and decreed that a default judgment be entered against Defendant Estrella de Fuego for \$ 294,810.98 [\$264,800.00 + \$26,100.92, accrued interest as of July 23, 2009, the date of the Request] + [interest accrued from July 23, 2009 to the date of this Order]. It is further ordered that interest shall accrue on this judgment at the maximum rate allowed by law, pursuant to 28 U.S.C. § 1961.

This 8th day of October, 2009
